Everyone who belongs to the truth listens to my voice.

Todo el que pertenece a la verdad escucha mi voz.
Dear Parishioners,

Next weekend we begin the season of Advent: our journey to Christmas.

This Advent the design of our parish “wreath” again invites us to engage our imagination. Envision in your mind’s eye a pathway forward that joins together the four distinct, unjoined candles. Travel along as we light each candle in succession up to the manger, to the birth of Jesus at Christmas. Consider the sandals and the need for us to understand what it is to walk not only in our own shoes but those of others. Gaze upon the angel placed in our sanctuary as a reminder of how angels traditionally help to guide us on life’s journey.

As you do this, we ask you to consider and begin to discern how our parish community might best walk together, making his paths straight.

The Pastoral Council listening sessions are a good place to start. What have you heard from your fellow parishioners during the session you attended? How have you felt and learned as you openly listened and shared? How might we deepen our sensitivity to walk in each other’s shoes? What steps might we take to become a parishioner-driven parish? What ideas might we incarnate for our parish to give birth to new light? How might we best invite those who have walked away from our Church to return? What shoes can we provide for them? In short, how do we make this Advent Season of waiting and preparation a time to renew ourselves and our parish community?

Creating a similar Advent “wreath” for your own home with four candles, sandals, an angel and an empty crib can further help your engagement with this spirit of renewal.

We will bless our “wreath” on the first weekend of Advent and pray the following prayers as we light the candles:

Eternal God, pour forth your blessing upon us as we light the candles of this Advent wreath. May its growing brightness remind us of the approaching nearness of Jesus, our Savior, so that on the day of His coming we may be found ready to take the bold and necessary steps to renew ourselves and our parish with your grace and blessing, in the Name of the Father and of the Son and of the Holy Spirit. Amen.

First Sunday of Advent: Challenging God of light, as we prepare for the coming of Jesus, may our hearts and

Prayer
All-powerful God, you are present in the whole universe and in the smallest of your creatures.
You embrace with your tenderness all that exists.
Pour out upon us the power of your love, that we may protect life and beauty.
Fill us with peace, that we may live as brothers and sisters, harming no one.
O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes.

Action
Save energy and money by lowering your thermostats when you’re away or asleep. Think about turning your thermostats back 10 degrees for 8 hours and you save around 10% a year on your heating bills.

**Evangelization Focus**

“Evangelization must be the first focus of our Church. Then, the corporal and spiritual works of mercy, which result from living and sharing the Gospel, will transform the culture around us. We have the mission ‘to repair the world,’ what the Jews call ‘Tikkun olam.’”
